

Future Medicinal Chemistry

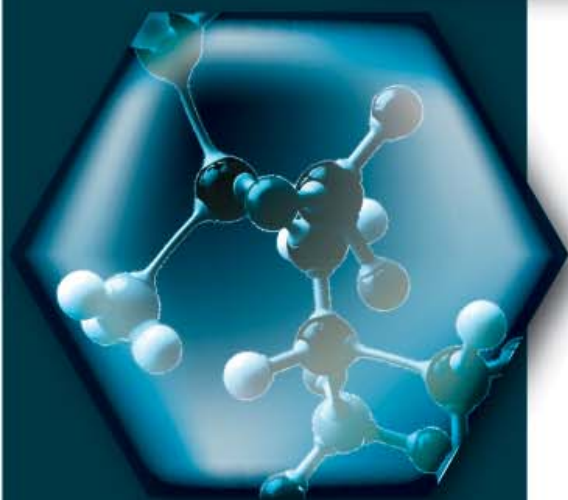

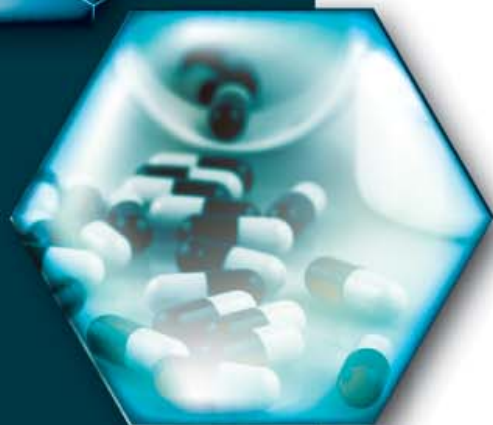

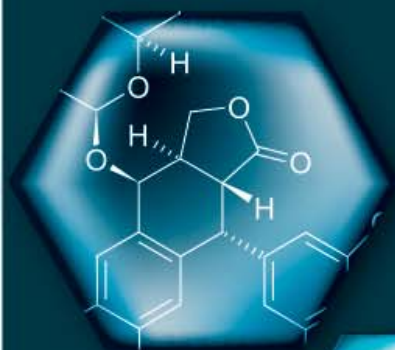

Senior Editors

Prof Iwao Ojima
State University of New
York at Stony Brook, USA

Prof David E Thurston
University of London, UK

Associate Editors

Keith Jones,
Cancer Research UK, UK
Charles Laughton,
University of Nottingham, UK
Péter Mátyus,
Semmelweis University, Hungary
PV Ramachandran,
Purdue University, USA
Christopher A Reynolds,
University of Essex, UK
Ke-He Ruan,
University of Houston, USA
Ronald W Woodard,
University of Michigan, USA
Fernando Albericio,
University of Barcelona, Spain
Daniela Barlocco,
University of Milan, Italy
Gerhard Ecker,
University of Vienna, Austria
Peter M Fischer,
University of Nottingham, UK
Bernard Golding,
University of Newcastle, UK
John F Honek,
University of Waterloo, Canada
Graham Johnston,
University of Sydney, Australia

Editorial Board

- 
- Shantu Amin**, Pennsylvania State University, USA
Koen Augustyns, University of Antwerp, Belgium
Bernard Badet, Inst. de Chimie des Substances Naturelles, France
Jonathan Baell, Walter & Eliza Hall Institute of Medical Research, Australia
John J Baldwin, Cleo Pharmaceuticals, USA
